INSURANCE ADVICE.

IF YOU were going away for a year, the first thing you would do would be to arrange with your firm or bank to pay your family \$100, \$200, \$500, or whatever amount you deemed necessary to meet the monthly household bills.

You wouldn't turn it over to your family in one sum.

While you are not planning to go away, you may be called upon at any time to make the last long journey.

You can provide such an income at a very moderate annual deposit.

I shall be pleased to furnish information without the least obligation on your part.

PREFACE.

THIS Twenty-fifth issue of the CHICAGO BLUE BOOK contains the new street names which became effective in August, 1913, and possesses the old and tried features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

The title, "BLUE BOOK," is given the work because of its *blue* cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "BLUE BOOK — A parliamentary publication, so called from its blue paper cover, such being commonly used; also, a book containing a list of fashionable addresses."

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained herein. It is simply a compilation of about twenty-four thousand names of the most prominent householders of Chicago and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly, and in this way we hope to make the CHICAGO BLUE BOOK as nearly perfect as it is possible to make such a volume.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in the Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches,

PREFACE.

etc. We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations which we have not already incorporated in our volume.

The data for this work have not been compiled from circulars or from other Directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our annual canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us each year the information they wish inserted, in order that the work may possess that accuracy and completeness we have taken so much pains to secure.

DISTINCTIVE YEAR - BOOKS

For Clubs, Schools and Societies

It has been aptly said that there are many things whose value lies in the fact that they are exactly right.

Just so with year-books and announcements of organizations that stand for something more than the commonplace. They must be correct.

Printing that is simple, distinctive, and dignified may always be had at the Lakeside Press, and it costs but little more than the characterless sort.

Without extra expense, we will suggest the arrangement, choice of paper, and so forth, for your work.

The following classes of letters are not advertised: Drop letters, box letters, letters directed and sent to hotels and thence returned to the Post-Office as unclaimed, letters returned from the Dead Letter Office to writers, and card request letters; circulars, free packets containing printed documents, speeches and other printed matter. POST CARDS.

Unfolded pieces of cardboard not exceeding 3 9-16 by 5 9-16 inches and not less than 2 3-4 inches by 4 inches are transmissible in the domestic mails, including the Island Possessions and to places in Canada, Mexico, Cuba, the republic of Panama, the U. Weight and Quality—Must be substantially that of the Government postal card of like size.

Color—Any that will not interfere with a legible address and postmark.

They may, or may not, at the option of the sender, bear near the top of the face the words "Post Card."

The face of the card may be divided by a vertical line; the left half to be used for a message, etc., but that to the right for the address only.

Very thin sheets of paper may be attached to the card, and then only on condition that they completely adhere thereto. Such sheets may bear both writing and printing.

Advertisements and illustrations may appear on the back of the card and on the left half of the face.

When post cards are prepared by printers and stationers for sale, it is desirable that they bear in the upper right-hand corner of the face an oblong diagram containing the words, "Place postage stamp here," and at the bottom of the space to the right of the vertical dividing line, the words, "This space for the address."

Cards which do not conform to the conditions prescribed by these regulations are, when sent in the mails, chargeable with postage according to the character of the message—at the letter rate, if wholly or partly in writing, or at the third-class rate, if entirely in print.

Cards bearing particles of glass, metal mica, sand, tinsel, or other similar substances, are unmailable, except when enclosed in tightly sealed envelopes.

The message on the cards may be either in writing or print.

Any card of foreign origin which, from its title in any language, appears to be a Post Card and conforms to the above requirements, shall be admissible to the mails (domestic or international), when prepaid in U. S. postage stamps.

Undeliverable Government postal cards, as well as private mailing cards (postcards), of local origin for local delivery, will be returned to sender when a return card appears on the address side of such cards.

PAYMENT OF MONEY ORDERS.

Money orders may be collected at the general office, or at any of the stations in this city. They may also be deposited in banks like drafts or checks,

or they may be indorsed for collection through other business channels, always observing the same precaution for identification, etc., given to bank checks. When the payee or remitter of a money order collects it in person at the post-office, or station, or when he deposits it in a bank for collection, he should sign it on the face at the place provided for receipt, and not on the back. When, however, he transfers the order to other than a bank he should sign the form of indorsement on the back. More than one indorsement is prohibited by law, the purpose being to restrict the use of money orders to remittances, but the collection stamps of banks are not construed as additional indorsements.

WOMEN'S and CHILDREN'S OUTFITTERS

The House of Exclusive Fashions

WOMEN distinguished for smart gowning buy their clothes here because we show them the most exclusive and beautiful models in imported gowns and suits by the score, ready to try on and make an individual selection from Models that the fashionable dress makers and tailors would have to make up for them, charging almost twice as much, and running a very great chance of their not being becoming or as expected when finished.

There is no great maker of Paris whose models we do not show, and in addition, many beautiful things that our own designers and makers, working for us exclusively, produce.
